Hi Folks

How is everything back home. Boy the weather down here sure is hot, but I am getting use to it. We are on our sixth weeks training & we are really becoming real soldiers. During the last week in the course of 3 days we got on 13 hours sleep.

Monday morning, we started of at 5.45 & we were down to the firing range all day. We did not quit that night until nine. The next night we stayed out all night & got about 3 hours sleep. We have been on the run all week, & we sure were tired at the end of the week. We went swimming

this afternoon down at Lakeside Macon. Stayed down there 5 hours. Believe it or not I am getting a tan & am also talking some what like a Southern. I am going to take my picture in a week or two & will send them home & soon as I do. My watch is not running right & I will probly send it home in the near future

Recieved a letter from Red Gallo today & he been transfered from Ricatta to Atlanta Ga. It is only about 50 miles from here. so me & Elwyn & my two pals are going to try to get a pass over the week to go down & see him.

I can't think of anything I would want for my Birthday, but might in a day or two. Big day tomorrow so will close.

Love Pat
